EQUIPMENT EXPERTISE FOR YOUR BOILER ROOM

Designed for Maximum Efficiency, Reliability and Durability
in Today's Most Demanding Environments.

Icon Boiler is the premier boiler equipment and service solutions provider in the Southeast. At Icon Boiler we sell, service, repair, and maintain boiler equipment for mission-critical customers. Our customers know us to stand for responsive, reliable, efficient, and safety focused service and expertise.

Icon Boiler has partnered with Superior Boiler, the experts in boiler manufacturing, in creating a custom manufactured private labeled product line. Our Icon Boiler line includes fire tube boilers, water tube boilers, condensing boilers, and ancillary boiler room products. Partnering with Superior Boiler allows us the ability to sell throughout the Southeastern United States.
